Re: Select Team Tryouts

Dear Select Team Candidate and Parents:

Please be advised that in order to play Select Team Soccer with Angelina Youth Soccer you must tryout in your age group. If you do not tryout in your age group you will not be allowed to "play up" or placed on another team at a later date. There will be no exceptions.

All teams are open to all eligible players. The first 12 players are selected by the evaluator. The coach then can place up to 6 more players on the roster. (The only exception is the Soccer Sister, U15 Girls, who have qualified for Super 2 and by rule must maintain the same team. However, even the Soccer Sisters are considering adding additional players and tryouts are being held.)

Question should be directed to:

Scott Skelton
Angelina Youth Soccer President
939.632.3381

Please see the attached Schedule or the schedule on the website:
